If you are visiting Dubai, or live here and plan to use the Dubai Metro, then this guide is for you. We have compiled all the information you need to know about the new extension of the Dubai 2020 Metro Route, including maps and schedules. Keep reading for all the details. Route 2020 is an extension of the Dubai metro red line. Connects the Metro Jabal Estacion Ali (previously known as Nakheel Harbor and Tower) with the site of Expo 2020. It was opened in 2021. The project also takes Dubai's subway to communities such as gardens, discovery Gardens, to the furjan, Jumeirah Golf Estates and Dubai Investments Park. The extension incorporates seven stations: Jabal Ali, The Gardens, Discovery Gardens, Al Furjan, Jumeirah Golf Estates, Dubai Investment Park and Expo 2020, Jumeirah Golf Estates and the Dubai Investment Park station are underground, the rest are high stations. The extension is part of the main red line. The trains work without stopping between the meter of Centerpoint (near Dubai International Airport) and the Metro expo 2020. Red line trains worked without stopping between the Center Metro station and the EEA Exchange subway. The section of the route between Jabal Ali and the Eau Exchange is now a boundary line. To travel to the Eau Exchange. The extension is 15 km long; 11.8 km elevated and 3.2 km underground. The Underground Terrose runs from the Furjan to the Green Community. The line will eventually extend to the International Airport to the Maktoum. Time for the service of Metro Dubai on Route 2020 are the same as the red line and the green line.
